

Hall-D DIS2011 Tour Plan

1. Visitors will be met on the truck ramp by a physicist and given an introduction to Hall-D/GlueX as they walk down into the hall.
2. As they enter Hall-D, they will be directed towards the various poster sites and reminded about the limited time.
3. Additional guides will be available at posters to answer questions
4. Visitors directed back to the truck ramp to exit by primary guide.
